The list below identifies all the individuals who are authorized under the *Foreign Worker Recruitment and Immigration Services Act* to provide immigration consulting services to foreign nationals coming to Saskatchewan. The list includes:

- Licensees – These individuals have met all licensing requirements and posted $20,000 in financial security which can be used to compensate individuals who have incurred a financial loss as a result of a violation of the Act by a recruiter or immigration consultant.
- Exempted Licence Applicants – Immigration consultants who provided services to foreign nationals or Saskatchewan employers in the two years prior to October 11, 2013, and who applied for a licence by January 8, 2014, can provide services until their licence application is reviewed and decided upon. If their application is approved and they are issued a licence, they will be identified as a licensee on this list. All listed Exempted Licence Applicants have applied for a licence, however, their application has not yet been reviewed.

Note: Those individuals marked with an asterisk (*) are exempted licence applicants
